TIMELESS ITALIAN CRAFTSMANSHIP FOR ELEGANT BATHROOMS

DueGi is synonymous with fine Italian bathroom art, where design and functionality coexist in perfect harmony. Our products are crafted for art and style lovers, transforming everyday spaces into elegant, refined environments.

We collaborate with renowned Italian designers and uphold the legacy of Italian creativity, inspired by artistic masters like Michelangelo and Da Vinci.

With cutting-edge technology, we enhance water efficiency and comfort, ensuring a superior user experience. Our production process follows strict quality standards, using premium materials and rigorous testing to guarantee durability. Every DueGi product embodies Italian craftsmanship and excellence.

Our extensive range of bathroom fittings and accessories allows you to create a personalized space, whether you prefer timeless classics or modern styles. From sleek single-hole basin mixers to versatile bath shower mixers, our designs cater to every need and budget.

Our functional showers offer both a refreshing start to the day and a relaxing retreat at night. With five-year guarantees and a commitment to innovation, DueGi delivers high-quality solutions that blend aesthetic appeal with superior performance.

ABOUT DUEGI RUBINETTERIE

Founded in 1991, Rubinetterie DueGi has become a leader in bathroom mixers, showers, and accessories by anticipating design trends and offering innovative, functional, and eco-friendly solutions. Proud of its Italian design, DueGi has expanded globally, with a strong presence in luxury hotels and buildings across the Middle East.

PRODUCT PERFORMANCE AND QUALITY

At DueGi, we ensure top-tier quality through meticulous material selection, advanced technology, and strict inspections. Our products combine Italian design with functionality for a superior bathroom experience.

✓ PREMIUM MATERIALS

High-quality raw materials and advanced ceramic disks ensure durability and exceptional performance.

✓ WATER EFFICIENCY

Our faucets and showers save up to 30% more water while maintaining top performance standards.

✓ OPTIMIZED AERATORS

Designed to reduce water consumption while maintaining efficiency and compliance with certification programs.

✓ SUPERIOR FINISHES

Chrome-plating, brass-coating, and silver-plating provide long-lasting protection against corrosion.

✓ CARTRIDGE & BRASS CONTENT

Made with 100% brass, our faucets are corrosion resistant, contain less lead, and meet international water regulations. With anti-noise technology and a precise mixing rotation system, our cartridges ensure smooth operation and enhanced longevity.

DueGi continues to set the standard for innovation and sustainability in bathroom solutions.
